## PRIVACY POLICY

This web site is the responsibility of Slim Active 01 Pty Ltd (hereinafter “Slim Active Slimming & Wellness Clinic” or “we”).

We take the privacy rights of our customers and users of our web site and our Slim Active Treatments (“APP”) very seriously. This Privacy Policy explains how information about you may be processed and for what purposes we may use identifiable and non-identifiable information.

We collect and process personally identifiable information (“personal data”) in order to complete orders made by you, deal with enquiries made by you and to administer the Slim Active Slimming & Wellness web site and APP.

We do not sell, share, trade or rent any of your personal data, unless you have given your explicit consent hereto or unless otherwise as described in this Privacy Policy.

We use advanced security measures to protect the security and confidentiality of personal data.

For Africa and South African Citizens: Slim Active Slimming & Wellness is responsible for the handling of personal information gathered from and about you. Our Marketing Manager may be contacted by by [e-mailchrista@slimactivesa.co.za](mailto:e-mailchrista@slimactivesa.co.za)

### 1. COLLECTION OF PERSONAL DATA:

When you contact us, order from us, visit or use the Slim Active Slimming & Wellness web site or download and use the APP we may ask you to give us certain personal data. It is voluntarily for you to provide us with your personal data and in certain cases is needed in order to provide a service to the customer. The processing of personal data is in order to fulfill an agreement with you, or is based on your consent, or is otherwise stated in this Privacy Policy.

Depending on your reason for contacting us, Personal data may include your name, gender, size, country, billing address, e-mail address, Facebook ID, FB image, phone and mobile numbers, and shipping address if different from billing address. In addition, we may collect personal information from you in relation to payment; including credit card type, name of cardholder, card number, and expiration date and security code.

We may also collect anonymous, non-personal data, such as your Internet Protocol (IP) address (first we collect your IP address and then we non-identify it by just using [the three first groups of numbers in the IP address]), browser type, and operating system through the use of “cookies.” We may use cookies to keep track of your visits to our website. A cookie is a small file that can be stored by your browser on your computer’s hard drive.

Cookies may be used to compile anonymous statistics related to the use of our services or to your pattern of browsing on our website. When used in this manner you are not individually identified. Data collected in this manner is used only in aggregate form. The data is not combined with, or matched to, any of your personal data. You can usually change your
